

## User's View

different owners → no problem

some changed owners are identical

## delete identical owner

**1) change in datagrid**

1 owners changed in db

**2) try to delete**

error: ORA-00054: Ressource belegt und Anforderung mit NOWAIT angegeben oder Timeout abgelaufen

**1) commit**

trx committed

**2) delete**

error: locking of owner with id 6 not possible (change in background happened)

## Developer's Hints

use ORACLE's `ORA_ROWSCN`
